CHOICEHUMANITARIAN

OUR MISSION

CHOICE Humanitarian is an international nonprofit that **strengthens community-led solutions to rural poverty.**

OUR WORK

We support rural communities through locally led projects that address critical needs like clean water, nutritious food, education, health, and income.

Beyond projects, we strengthen community voice, ability, and access—creating lasting improvements in quality of life.

OUR VISION

We envision a future where rural poverty no longer limits people's ability to achieve sustained well-being.

GET INVOLVED

As a Corporate Partner with CHOICE, there are many ways your company can invest in global good.

CORPORATE EXPEDITIONS

Travel to one of the communities we serve for a life-changing team experience. Enhance morale and build trust, all while giving impactful service.

EVENT SPONSORSHIPS

Connect with CHOICE's donor community, build brand awareness, and show your CSR commitment to global poverty by sponsoring an event.

CORPORATE GIVING

Involve your employees or company in making a real difference through payroll contributions, funding for specific field projects, or grants.

WHAT MAKES US DIFFERENT?

COMMUNITY-LED

Projects are owned by community members and strengthened by local CHOICE teams. The work is sustainable well past CHOICE's involvement.

DATA-DRIVEN

Using the United Nations Sustainable Development Goals (SDGs) and the multidimensional poverty index (MPI), we measure all efforts, report on progress, and evaluate adaptation opportunities.

IMPACT-FOCUSED

We support communities & groups experiencing rural poverty in remote, underserved regions in 7 countries: Bolivia, Ecuador, Guatemala, Kenya, Mexico, Peru, Nepal
